#### AMENDED COMPAK TRIAL DATES

Kindly note that the **PE Compak Trial 2018**, scheduled to be hosted on the 9<sup>th</sup> and 10<sup>th</sup> of June 2018 at the Port Elizabeth Clay Target Club, **has been cancelled** due to logistical challenges.

The long weekend of 28 April 2018 makes it difficult for many shooters to attend a trial, and Compak SA has thus decided to host the **Outeniqua Compak Trial 2018** at the Outeniqua Clay Target Club in George on the **9<sup>th</sup> and 10<sup>th</sup> of June 2018** and not on the 28<sup>th</sup> and 29<sup>th</sup> of April 2018, as per the original calendar on the website.

This however does have an impact on the World Championship Trials and National Rankings, as there would be one less trial to count towards the National Trials and Rankings for the World Championship to be held in Rio Salso, Italy in August 2018.

We trust you find this in order. Apologies for any inconvenience caused.
