

## Compak SA Membership

1 October 2017

Dear Compak SA member and sport shooter

### Compak SA Membership and/or renewal of membership– dates and period

Please note that the dates for membership renewal has changed as well as the period for the annual membership.

- Annual membership commencement date: **1<sup>st</sup> of January of each year**
- Annual membership ending date: **31<sup>st</sup> of December of each year**

A membership renewal notice will be mailed to each member by the end of November of each year. The membership renewal fees need to be paid by no later than 31<sup>st</sup> December of each year. The reason for the change was purely to simplify the administration process.

Please note that a number of members have paid the 2018 membership renewal fees in August and September of 2017 and need **not** to renew membership fees again in December.

Membership fees:

- New member joining fee: R400
- Annual membership fee: R600
- Junior annual membership fee: R350

We trust you find this in order.

Compak SA Executive Committee
