

To all Compak SA members

20 February 2018

Dedicated Membership Status - Compak SA

Kindly note that the following was proposed and accepted at the Annual General Meeting of Compak SA held at Maccauw Clay Target Club, Bloemfontein, Friday 16 February 2018.

To date members could join Compak SA and pay the required R400-00 new member joining fee as well as the annual membership fee of R600-00 and then automatically download their membership certificate and membership card as well as a **dedicated sports shooter certificate**. The latter however will, as from 1 March 2018, only be available to a member if he or she has competed in a formal Compak SA Trial. Dedicated membership status will only be valid from the date of the Compak Trial competed in till 31 December of that year. To obtain dedicated membership status for the following year, the member must again compete in a Compak SA trial for that particular year.

We trust you find this in order.
